

## Who We Are

St. Croix Valley Habitat for Humanity is a local affiliate serving St. Croix and Pierce Counties, Wisconsin. Habitat for Humanity International is a global ecumenical Christian organization that works to provide affordable, decent housing for all. The concept centered on those in need of adequate shelter, working side by side with volunteers to build decent affordable houses. At SCV Habitat we have been delivering our mission since 1996.

## Our Status

Our current Home Build in Hammond, WI has begun and we are looking for interested volunteers. We are hiring a temporary site supervisor and looking for

homeownership applicants. We are also looking for candidates in Hudson, River Falls, Spring Valley, Prescott, and any other eligible communities for our supplemental home repair and maintenance programs, A Brush With Kindness and Aging in Place (elderly-specific) which serve: elderly, physically disabled, and other adversely affected citizens.

## What We're All About

Throughout our history, we have provided new homes and critical repairs to over 75 families in the St. Croix Valley. We work through a system of "sweat-equity" to provide our Partner Families with the ability to own an affordable Habitat Home after 500 hours, along with mandatory home management classes that prepare them for the future. This leads to the eventual purchase of their own home at zero or low-interest.

## ReStore

We accomplish all of this through the generous financial, material, and labor donations of our supporters. Our ReStore feeds directly back into our mission. We take furniture, building supplies, appliances, and many other types of donations as a revenue source as well as providing an alternative to landfill waste. We are always looking for new supplies and people who are passionate about helping others via volunteer opportunities!
